Space, Style and Comfort in Boondall

Each tenant will have:

Bringing together generous proportions, thoughtful design and multiple living spaces, this contemporary home offers an environment where comfort, privacy and connection come naturally.

The heart of the home is the expansive open-plan kitchen, dining and living area. Complete with a large island bench, walk-in pantry and ample storage, the kitchen provides plenty of room for preparing meals, entertaining or spending time together. Natural light fills the shared living spaces, while the covered alfresco extends the home outdoors, creating another inviting area to relax or catch up with visitors.

Adding to the home's versatility is a dedicated media room, offering a separate space for watching movies, enjoying hobbies, spending quiet time or hosting family and friends. This additional living area gives residents greater choice in how they use the home, whether gathering together or enjoying a little extra space. Each of the three generously sized bedrooms includes a built-in robe and private ensuite.

A dedicated Onsite Overnight Assistance room is positioned separately from the resident bedrooms, allowing support to be available when required. An oversized double garage, central laundry, guest powder room and abundant storage complete a practical, well-appointed home designed to support comfortable living now and into the future.
